MEETING POINT

ABOUT

The largest annual professional tourism fair in the Eastern Mediterranean, The 28th Annual International Tourism Exhibition and Fair (IMTM 2022) of the year. Join us and let's all meet together in EXPO TLV.

**ISRAEL MAIN EVENT
FOR THE TOURISM
INDUSTRY**

COVID19

We all experience unconventional days that throw an entire world out of balance.

We believe that as long as we can maintain a safe routine and continue to exchange ideas, we will be able to go through this period together.

To this end, we have developed a new standard:

CCC- Coronavirus Complied Conferences

Coronavirus
Complied
Conferences

So what exactly is CCC?

These are the measures we will take to enable the fair to take place, in accordance with the guidelines of the Ministry of Health:

- Maintaining social distance policy
- Registration positions without contact of the participants and in full service of the hostesses
- Hand disinfection facilities, tissue and wipes are available
- Reinforcement of cleaning and sanitation teams
- Spacing of the assembly complexes and division into capsules
- Refreshments and drinks packed in individual portions or in a safe serving

IMTM2022

28TH INTERNATIONAL MEDITERRANEAN TOURISM MARKET

Israel's "Open Sky" policy enabled more than 20 million travelers passing through Ben Gurion , confirming a steady growth in Israeli Incoming and Outbound travel.

2019 was another breaking record year hitting unprecedented 5 millions incoming tourists and over 8 million overseas departures by air.

IMTM 2022 is a unique opportunity, especially now after 2 years we couldn't enjoy touring the world, to reach... to reach an exceptional market of Tour Operators, Travel Agents, Corporate and Business new partners as well as Individual travelers.

WHY?

15 percent outbound travel market growth since 2016, attributed to the famous enthusiastic approach to travel and discovering new destinations, as well as to the increasing number of Israeli hi-tech companies operating abroad

Travel trends:

- 80% of Israelis went on vacation overseas at least once during 2019 representing an increase of 30% compared to 2018
- 40% of Israelis aged 50 and over flew twice or more during 2018

WHO?

In 2020, IMTM hosted representatives from 65 countries, hosted 2200 exhibitors and attracted over 30,000 trade visitors, including tourism industry professionals, corporate travel planners, travel agents from Israel and abroad aside thousands of the Israeli public who came to learn about their newest trends and destinations.

Held under the auspices of the Israeli Ministry of Tourism; the Israel Association of Travel Agencies & Consultants; Israel Hotel Association and Israel Incoming Tour Operators Association, IMTM 2020 hosted exhibitors and buyers from all around the world.

WHERE?

IMTM 2022 will be held at the EXPO Tel Aviv, a modernistic and unique complex in Israel and in similar businesses around the world. Anyone who chooses to present in it enjoys the best of all worlds: spacious exhibition floors covering an area of about 50,000 sq. m, advanced technology, professional, attentive and experienced staff to advise and who are ready to help with any questions and, of course, the surroundings of the complex - full of life with eight other exhibition pavilions and large grassy lawns for the benefit of everyone who comes to the various events.

The Israel EXPO in Tel Aviv is located in the most strategic point of the metropolitan area, enabling quick and easy access to any point on the map of Israel. Major traffic arteries (the Ayalon Freeway, Geha Highway, the Coastal Road, Road Five) run directly to it; the adjacent train station is located within walking distance from the complex, as well as an abundance of bus stops

Because there is no other place like this...

FREE Shuttle Service

IMTM courtesy Shuttle Service will operate between Tel Aviv hotel district and the Fairgrounds.

EXHIBITORS' MANUAL

C. Technical & Logistical Guidelines

*** DUE TO THE SPECIAL SPECIFICATIONS OF THE VENUE - PLEASE NOTE THE GUIDELINES ***

Construction anchoring and hanging works - Important!

The venue has a very high ceiling. Due to safety issues, requirements and complexity of the construction work in the venue, **no construction company will be allowed to work in heights other than Simul Ltd!**

Any exhibitor or construction company wishing to anchor their booth, hang their construction or signage and / or lighting, will order the specific job from **Simul Ltd** which is **solely authorized** to do such work at the fair.

Simul has the exclusivity on all anchoring and hanging works and therefore no other company will be allowed to do such work other than via Simul. Any height work done by someone other than Simul Ltd. is forbidden!

Exhibitor, who needs anchoring, lighting and / or hanging works, will contact Mr.Yossi Ben Simon at: yossi@simul.co.il with all specifications of the work needed, **no later than March 1, 2022**. Anchoring and hanging works will be priced according to the works specifications.

Safety Regulations – Important!

The IMTM organizers provide construction engineer examination for all construction **free of charge** to all exhibitors. In order to receive such required engineer approval, exhibitors in open spaces are required to submit their design plan for prior approval, including the exact technical measurements and specifications to the fair's safety engineer – **B-Safe** – to Mrs. Eti Elimelech Pasternak, at: Eti@b-safe.org.

A. Exhibitors and the construction company on his behalf are obligated to follow the safety manager and the exhibition's managers at all time. Those who will not do so will be requested to leave the venue and will not be allowed to enter.

B. A certificate of approval B-Safe's certified construction engineer **must be submitted for each construction according to the following:**

System - over 2.5 meters high / Truss – over 2.0 meters high / carpentry – all heights.

Exhibitor, who is required by Israeli law to construction approval by the safety engineer and did not obtain such approval from B-Safe's certified engineer, will not be allowed to construct their exhibition and maintain any activity.

EXHIBITORS' MANUAL

- C. **All anchoring jobs, hanging construction, hanging signage and / or hanging lighting must be done using a special crane, operated exclusively by Simul Ltd, as clarified above.**
- D. Equipment used for demonstrations, must comply with Israel safety regulations.
